NO TELEMENTORING SESSION-DECEMBER 2020

SICKLE CELL TELEMENTORING

What we do?

Our group meets monthly for a one-hour video conference that consists of 25 minutes of case presentation (however, no identifying patient information is shared). After case presentation, a 25 minute of didactic is presented, then a 10-minute review and wrap up. We hope to see you on our next call!

How to Connect!

Find archived video recordings, and didactic materials at this website:
